

# ADOPTION SERVICES

## OUR PHILOSOPHY.....

Working with children, birth families, foster families, and adoptive families is essential for positive outcomes. The primary goal is permanency, which can include reunification with the birth family. We provide SWAN services to help give children and families a voice, honor their past, answer questions, make connections, and look to the future.

## SERVICES PROVIDED.....

- Child Profile
- Child Preparation
- Child Specific Recruitment
- Family Profile
- Placement
- Finalization
- Post Permanency

*"Caring for the needs of Children and Families in crisis, and preparing them for success in life, thereby strengthening the Quality of Life in the Communities we serve."*

# We strive to provide quality service to clients, parents, referral sources, and our community.

CHOR Youth & Family Services has extensive experience with special needs children of all ages.

**Each year, over 4,000 children and their families are served by our programs!**

## SOURCES OF FUNDING.....

- County Children & Youth Services
- SWAN

CHOR Youth & Family Services works with families of all ages, race/ethnicity, socioeconomic status, sexual orientation, and marital status. Ongoing training opportunities are available to build your skills and network with other resource families.

**CHOR Youth & Family Services has over 140 years of experience providing 24-hour care to boys and girls in need.**

### **Trauma Informed Care**

*CHORYFS is a Sanctuary Trauma Informed agency. Sanctuary is an EVERYBODY model which provides a guide for both how we run our organization and how we heal the youth we serve and those who care for them. Our Sanctuary model symbolizes CHORYFS's continuous commitment to creating a safe, non-violent therapeutic community for our youth, staff, and partners.*

### **Performance and Quality Improvement (PQI)**

*CHORYFS is committed to continuous quality improvement to ensure that we provide the absolute best care to the youth and families we serve. Using data we identify strengths and areas in need of improvement and create plans to spread best practice throughout the organization.*
