

CHILDREN'S HOME OF READING DAY ACADEMY

OUR PHILOSOPHY.....

The **CHOR Day Academy** serves students grades 1-12 who have special education needs that can be better met in our program setting. The program is designed to help students bridge educational gaps while working toward completion of required credits for the school year.

Our goal is to provide students with a well-balanced educational and therapeutic program to guide them toward academic success. The education team is comprised of special education teachers, masters level counselor, regular education teachers, and behavioral support staff.

PROGRAM DETAILS.....

Doors open for students at 7:30 AM and the first class (period) starts at 8:00 AM. Breakfast and lunch is provided. Instruction is in the major subject areas of language arts, mathematics, science, and social studies. Students also receive career counseling, Health and Physical Education, Art, Music, and Personal Development instruction.

The student's home school district is involved in the Individualized Education Program (IEP) and the evaluation process as part of compliance with federal and state laws. Our staff collaborates with the student's school district to ensure a smooth transition back into the home school.

REFERRAL PROCESS.....
